

Log number No 59 the witness names  
I know that different names were  
told me that Mr Sherrard was  
a loyal man. but I don't know  
that any special language or acts  
were related except I remember that  
one Brady Fitzgerald told me  
about Mr & Sherrard's buying  
out & being robbed by the rebels

Log number No 60 the witness <sup>name</sup>  
Good for loyalty, so far as I know  
all the reports I ever had of him  
was that he was a loyal man.  
I can't now name for certain  
any one that I heard speaking  
him except Fitzgerald. but I  
know he was generally looked  
upon here at the past by both  
Citizens & Soldiers as a loyal man  
and received from all of us  
the treatment usually accorded  
to loyal men. I had very little  
acquaintance with the citizens  
of his locality, in fact none  
except with a few loyal men  
who took refuge with the  
Army. I can't refer now to any  
except Mr ~~Sherrard~~ Brady Fitzgerald  
and I don't know where he lives  
now.
