

hundred & eighty three months -
 I have always heard said Thomas
 says that he served in that town
 or somewhere fourteen months
 & some days - I have heard as
 well known to said Thomas
 since the Revolutionary
 war - I am entirely satisfied
 that he is correct as to the
 statement of his service in
 his declaration - I would that
 after his long life towards
 the close of the war said
 Thomas served a term of
 two or three months for
 some months Prof. Todd
 I cannot certainly state
 the length of the town -
 I have heard & sworn ^{his} that Todd
 to that he served 1832 ^{month} before
 & certify that said Peter Todd
 is a true & lawful man on oath -
